Student Ambassador

Debate Club (New)

CLUBS

Student Council

Student council is open to 7th and 8th grade students that are recommended by a teacher at the end of their 6th and 7th grade years. Student Council assists with 6th Grade Orientation, Back to School night, Parent/Teacher Conferences and school dances. They also volunteer at various elementary school PTO events and with the Brain Injured Children Program. They are also responsible for the morning announcements.

Unified Club

The Unified Club is open to students who have been part of the Unified Sports Program.

Tennis Club

The Tennis Club meets in the spring (May/June). Students learn the rules and skills associated with tennis. Each meeting focuses on a specific tennis skill. Students get ample time to practice these skills and engage in friendly competition. Students also get a T-shirt and enjoy a pizza party at club's end.

Student Ambassador

A “Student Ambassador” is a student who acts as a “peer role model” for other students. They will be called by Guidance and assigned a new student/peer so that the new student can become familiar with our school. The Student Ambassador will then show the new student around the school and walk them through their schedule, introduce them to staff and teachers and answer any questions they might have about our school. They will also invite them to sit with them at lunch. Student Ambassadors will be trained to offer class lessons in bullying and positive decision making and will be trained during their lunch period.

Community Service Club

The Community Service Club is designed to teach students the importance of helping their school, community and world by brainstorming and executing those ideas/activities. Some of these activities include volunteering at school dances, food and clothing drives and disaster collections. They also support “Week of Respect”, “Violence Awareness Week”, “Red Ribbon Week”, and “World Kindness Day”. All students are invited to participate.
