

Dear Parent or Guardian of a Sayreville Middle School Student,

Sayreville Middle School values all stakeholders. Parents and community members are invited to come to our school, fill up on a warm cup of coffee (virtually for now), and receive the latest news and events at SMS. **Coffee with the Principal** is also a time for parents to hear about our instructional program, gain strategies to assist their children, ask questions, and/or share concerns that will positively impact student academic achievement. Each session is specifically designed for parents to hear directly from the Principal. It's also a great time to meet other parents and share in celebrating the school's progress. All parents and community members are welcome!
