Dear Parents & Guardians,

The **Sayreville Middle School (SMS) PTO** would like to welcome all new and returning students and families back to school!

The **PTO** is an organization of parents and teachers. The PTO's goal is to foster a nurturing and caring environment that strives for continued parent involvement in helping build a better educational and social environment for our children. We encourage school spirit and pride by promoting a school community where teachers and administrators can do their best work with the resources we can provide and help make school fun. Through membership dues and fundraising efforts, the PTO is able to donate funds to sponsor educational materials and provide enrichment opportunities for the students.

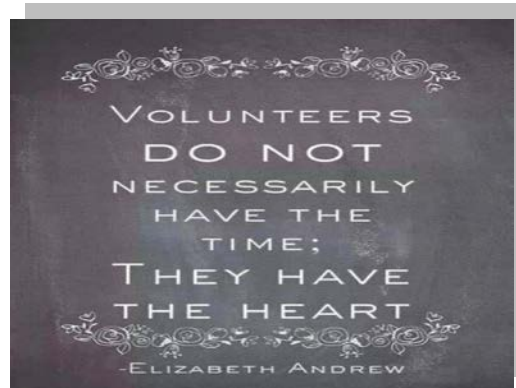

For the PTO to be effective and truly representative of the school, it is essential to have parental involvement from as many parents as possible. Many working parents feel that they cannot be included in the PTO because they cannot come to every meeting or be on campus during the day. There are endless possibilities in ways you can help. Whatever your own level of flexibility, **SMS PTO always appreciates their parent volunteers, as do our teachers and staff.** The PTO uses its resources, both manpower and monetary, to support the efforts of the staff. Everything we do is based on volunteers and we are looking for your help to make a difference in the lives of our children

As we all navigate through these unprecedented times, and know that this school year will look much different than any other, the PTO will be here to support our students and school in any way we can. Events may not look the same, fundraising may not look the same, but our pledge to our students and school community is more heightened than ever. We encourage our families to follow us on Facebook and look for our communication through emails to stay connected.

Sincerely,

Zoe Katsilis
