QUARTERLY ASSESSMENTS

All students will be required to take quarterly assessments in their courses. Quarterly assessments are scheduled for the end of each marking period according to the schedule below. The administration of the quarterly assessments is scheduled for the class period during the regular school day. Each quarterly assessment will count toward 15% of the marking period grade for each respective class. The final grade for the course will be an average of all of the 4 marking period grades. Students who are unable to complete the quarterly assessments during the scheduled time will need to arrange for a makeup with their classroom teacher.

If a makeup is not completed, a grade of a 0 will be recorded as an assessment grade and used calculating the final grade for that marking period.

Students should not make any plans or commitments that would conflict with their availability to take the assessments as scheduled.
