The Administration takes pride in; our staff, our curriculum, our facilities and our students. We hope that you will share that pride with us. The Board approved curriculum for 6<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup> grades recognizes the transitional nature of these middle years in that they serve as a bridge between the structured elementary grades and the more wide-ranging, independent, and career-driven education available at the secondary level. A more comprehensive explanation of the district's core ethical values can be found in the **Sayreville School District Code of Student Conduct**.

Middle school students face many new and difficult choices on their way to young adulthood. The successful middle school student will use teachers and administrators as a resource for positive problem solving, critical to making constructive and productive decisions.

### ARRIVAL

Students are not permitted to be dropped off and/or arrive on school property earlier than 7:45a.m. on regular school days and not before 9:30 a.m. on a delayed opening schedule. When dropping off children in the morning, parents must follow the marked road arrows, keeping to the far right in the parking lot. Always give the school buses the right of way.

**Lateness:** Students arriving after the start of homeroom (8:15 am) must report to the Main Office to sign-in. Students are subject to administrative detentions for both tardiness and failure to sign-in. Excessive tardiness may require a parental conference with the Guidance Department.

See further information regarding walkers under **WALKERS**.

## DISMISSAL

At the end of the school day students must immediately leave the building and school property, unless involved in a scheduled supervised after-school activity. All students involved in scheduled after school activities are to remain with the supervising faculty member.

Students are not permitted to remain on school property to wait for the start of after school events, i.e. wrestling, basketball, etc. Any student who has served either an administrative lunch or after school detention must leave school property and not return that day, unless involved in a supervised school activity.

Parents picking up children are requested to wait at the far end of the parking lot (near Washington Road). If a student's regular authorized manner of departure does not arrive, they must immediately report to the Main Office and notify an Administrator. It is age appropriate for middle school students to be able to follow parental/school district directions regarding dismissal procedures. If a parent/guardian does not believe that their child is able to follow the above referenced procedures, please contact the building principal. Arrangements will then be made for your child to remain inside the Sayreville Middle School. The authorized adult will then be required to enter the school to sign the child out. Please note: pick-up time is 2:45 pm for regular school days and 1:00 pm for early dismissal days.

## ATTENDANCE INFORMATION

Under the New Jersey Administrative Code (6:8-4, 2), Boards of Education shall establish pupil requirements for the minimum number of days in attendance in order to receive a passing grade in a subject. Sayreville Board of Education Policy #515, Promotion and Retention, directs that parents of pupils who have been in attendance fewer than 162 days during the school year be notified of possible retention. These regulations recognize that the learning experience which takes place in the classroom environment is an essential part of the student's responsibility and to realize that time lost from class in terms of educational opportunity is irretrievable.

It is recognized that there are definite unavoidable circumstances, which may prevent a student from attending school; however, all of the work missed must be made up at the initiative of the student within two weeks of each missed class period.

**Absence:** A student who is absent is required to present to the homeroom teacher a written excuse upon returning to school. The excuse must be dated, must give the reason for the absence, and must be signed by a parent or legal guardian. Extended and/or frequent absences may require a note from a doctor. **Parents are also required to call the Attendance Line at 732- 525- 5290 (to inform the school of their child's absence).** Parents will also receive a confirmation call via *School Messenger* at home when their child is not present in school. In the event of three or more consecutive absences, make-up work will be provided when the child returns to school. If a child is absent for more than three days because of an illness, parents may call the guidance office requesting make-up work. The work will be collected and ready for parents to pick up between 2:00-3:00 p.m. within 2 school days of the request. Students who are frequently late to school/class may receive an attendance contract and disciplinary action for lates following the contract.

In order to participate in any after school event or activity, students must be marked present in school that day. Students are not permitted on school property before, during or after school if they are absent or suspended from school.

## ACCIDENTS

Students should report all accidents, minor and major to the teacher in charge. If a teacher is not present, the student must report the accident immediately to the nurse or an administrator.

## BACKPACKS

Students are permitted to bring backpacks to and from school. The backpack is to be stored in the student's locker for the entire day. Students are not permitted to carry backpacks during the school day. As a safety precaution student may only use "String Bags" to carry their required textbooks and school supplies from class to class.

## BICYCLES

All students under the age of fourteen (14) who ride their bikes to and from school, must, by law, wear proper protective helmets. In addition, students are expected to chain and lock their own bikes to the bike racks, as the school is not responsible for their supervision. While on school property students must walk their bikes.

## CAFETERIA/ RECESS

Students are required to eat lunch in the school cafeteria. Hot and cold lunches, milk, drinks, and snacks are available for purchase. Students may bring their own bag lunches however; glass bottles are not permitted. The only area of the building where food and beverages may be consumed is in the cafeteria.

While in the cafeteria, students are expected to practice the general rules of good manners. When finished eating, students are required to: put all recyclable items into the appropriate containers, return their trays, and leave the tables and eating area clean in consideration of the student who will be eating during the next lunch period.

To provide for as safe an environment as possible, throughout the lunch period students must obey the following rules:

1. Students are to wait at the Café doors until directed by a supervising teacher to enter the area.
2. Stand in a single formatted line without bumping, pushing and/or touching other students in line.
3. Once seated for lunch, students are to remain seated at their lunch tables until dismissed.
4. No food or drink may be taken out of the cafeteria.
5. Obey and follow the directions of the teachers and cafeteria staff.
6. Excessive physical behaviors and contact such as: tackling, pushing, tripping, or grabbing of other students' clothing is inappropriate and potentially dangerous and is subject to disciplinary consequences.
7. Students must place their reusable containers and/or bags in the designated area prior to participating in recess.

## CELL PHONES

The Administration recognizes that some parents choose to allow their children to bring a cell phone to school. Students who bring a cell phone to school are required to turn them off and put them away upon their arrival to school. Cell phones must be stored in the student's personal hallway locker. Cell phones may be turned on again once outside at dismissal. Unauthorized possession and/or use of cell phones are subject to confiscation and will result in disciplinary consequences. Cell phones will only be returned to a parent/guardian. **The school district is NOT responsible for lost or stolen cell phones.**

## CLASSROOM DISCIPLINE

All students, teachers, and school personnel are responsible for the maintenance of good discipline. Students guilty of a general offense in any class will be subject to disciplinary action including after school detention by the subject teacher of that class.

A student assigned detention by a teacher is expected to report on the date specified by the teacher. According to school policy, teachers must give students 24 hours notice of an assigned teacher detention. Students who fail to attend an assigned teacher detention will be referred to administration for disciplinary action.

The manner of dress must not create classroom disorder or distract others. The administration reserves the right to restrict or prohibit any manner of dress or apparel judged to be inappropriate, a distraction to the learning environment, or apparel that presents a safety hazard. Such determination is subject to disciplinary consequences. The following guidelines have been established to assist parents and students in selecting the proper dress for school as required by Board of Education Policy #522.

## CONFERENCE – PARENT/TEACHER

Formal conferences are scheduled after the first semester of each school year. When necessary, you may schedule an appointment with a specific teacher and/or with your child's guidance counselor.

## CORRIDOR PASSES

It is essential that there be no students in the halls unless they have a corridor pass. Students must have written passes including: a) student name; b) date; c) time; d) destination. Passes should be written in pen, not pencil. Altering or tampering with a hall pass will result in a consequence determined by the administrator. Students will use their **Agenda Pads** as a bathroom pass.

## DETENTION – ADMINISTRATIVE GUIDELINES

3. Insubordination/disruptive behavior will result in a student being removed from detention by the supervising teacher and sent to an administrator in the Main Office. Appropriate discipline will follow.
4. A student who cuts detention will be assigned two (2) more detentions. The 3<sup>rd</sup> incident of cutting detention will result in an out of school suspension.

**The Board of Education recognizes that each student's mode of dress and grooming is a manifestation of personal style and individual preference. The Board will not interfere with the right of students and their parents to make decisions regarding their appearance, except when their choices affect their safety or the educational program within the schools.**

## **EMERGENCY MANAGEMENT DRILLS**

Fire drills and security drills will be conducted as required by law. It is essential when the fire alarm sounds, that everyone obeys it promptly; clears the building in **silence** by the assigned route; proceeds to an area of safety; lines should not cross or stop. If an exit is blocked, students should go to the alternate exit available. Students not in a class should join in an existing class and report to that teacher. When re-entering the building, talking is not permitted and good order is mandatory. During Emergency Management Drills, it is critical that students intently follow the teachers' direction to ensure order and safety.

## **EXTRA-CURRICULAR ACTIVITIES**

There are a variety of extra-curricular and sports activities for students. Please check [www.sayrevillemiddle.net](http://www.sayrevillemiddle.net) for information and updates. The physical forms may be found online at: <http://www.sayrevillehigh.net/athletics.htm>

1. Students are not permitted into the health office without a pass from the sending teacher.
2. Students must present a pass to the nurse and sign the health office log sheet.
3. Students must take **medicine** in the health office only under the supervision of the school nurse. A doctor's written order is necessary for medication to be administered by the Health Office. Medicines must be sent to the school in the container bearing the pharmacist's label and identifying the substance being administered.

## HOMEWORK

Education is a cooperative effort between the home and the school. Instructional learning strategies designed to meet the goals and objectives of the curriculum become more effective when strong home support is provided. Parents are therefore encouraged to check homework on a daily basis, so as to reinforce sound study skills and work habits. This is vital as homework is an important part of your child's overall grade. It is the student's responsibility to make up assignments and tests when they are absent.

## HOMEWORK POLICY

Homework should be assigned Monday through Thursday. When a test/task is due on Monday, sufficient notice should be provided: - General time allotments per school night for Grades 6-8 is 60-80 minutes. Summer work in grades 6-12 is prescribed by the department and grade level. The district believes that holidays and weekends are a time for rest and rejuvenation and a time for families to be together. Homework free times will include the weekends, winter and spring breaks. No long-term projects will be due and no tests will be given immediately upon return from these breaks or Teachers' Convention in November.

Students who have not completed missed work prior to the end of the marking period due to excused absences or extenuating circumstances may receive an incomplete for the marking period. Pupils will be given 10 school days, following the end of the marking period to make up the missed work. Additional time, if warranted, may be granted by the building principal on a case by case basis.

**Extra Credit:** points may account for a maximum of 5% of an assessment grade. Extra credit will not take the place of missed assignments.

## LATE BUSES

Late buses are available Monday through Friday. Only those students in a scheduled and adult-supervised after school activity are permitted to utilize late buses. Only students eligible for district bus service may utilize the late buses. Students utilizing the late bus must obtain a late bus pass from their supervising teacher. Please see the Middle School website for late bus drop-off locations.

**PLEASE NOTE: Visiting the public library is not a scheduled or supervised after school activity.**

## LIBRARY – (Middle School)

Students are encouraged to use this facility and to observe the library rules. Fines for overdue books must be paid before taking out additional books. Students are only permitted in the library after school in an authorized supervised activity.

Each student is assigned a locker and issued a lock for the school year. Only locks issued by the school may be used. Switching or sharing of lockers is **not** permitted and is subject to disciplinary action. Only articles pertaining to academic subjects and outdoor apparel are permitted to be stored. Students are responsible for articles in their lockers and are cautioned against "setting the lock" or giving the combination to another student. A minimal replacement fee is assessed for lost locks. All students are responsible for their assigned lockers and are not permitted to temporarily store their books and belongings in an empty unused locker. **Absolutely no stickers, posters, pictures, magic markers, graffiti etc. are permitted on any part of the locker.**

6<sup>th</sup> grade students are permitted at lockers:

- Before HR \* Before 4<sup>rd</sup> period \* Before Lunch \* After lunch \* End of the day

7<sup>th</sup> grade students are permitted at lockers:

- Before HR \* Before 4<sup>rd</sup> period \* Before Lunch \* After lunch \* End of the day

8<sup>th</sup> grade students are permitted at lockers:

- Before HR \* Before 3<sup>rd</sup> period \* Before Lunch \* After lunch \* Before 8<sup>th</sup> period \* End of the day

## **LOCKER INSPECTIONS**

Administrators and teachers are responsible for protecting the health, safety, and welfare of the school community. New Jersey law states: "The principal or other official designated by the local Board of Education may inspect lockers or other storage facilities provided for use by students so long as students are informed in writing at the beginning of each school year that inspections may occur". The law permits Boards of Education to provide for inspection of student lockers in a manner consistent with the Supreme Court ruling in **State v. Engerud, 94 N.J. 331 (1983)**

Locker clean-outs are scheduled during each marking period and at the end of the school year. The Middle School has a policy of regularly inspecting students' lockers in an effort to promote safety, order, and discipline.

## **Student Search and Seizure**

According to the Gault decision, the safety of the student outweighs the rights of the student. Children in school may be searched based on individualized reasonable suspicion. Reasonable suspicion is generally defined as: when a combination of articulate facts and the person's own experience feels that the degree of intrusion is warranted in terms of all the surrounding circumstances. Security cameras are in use in all public areas and outside grounds of the building.

## **LOST AND FOUND**

Report the loss of any valuable article to the Main Office. All other articles are to be placed in the "Lost and Found" areas around the school. Students are encouraged to check the lost and found regularly in the event they are missing personal belongings and/or school supplies. Articles of clothing and other items unclaimed for an extended period of time will be donated.

## **OFF LIMITS**

Those areas off-limits to students include but are not limited to the following: stock rooms, custodial closets, kitchen areas, boiler room, faculty lounges and bathrooms.

## **PARENT – TEACHERS**

The P.T.O. exists to promote the welfare and education of the children. They sponsor many educational opportunities for the students; they also provide special activities, assembly programs, and gifts to our school. They work with the administration and faculty to enhance the positive atmosphere of the Middle School.

## **PASSING IN CORRIDORS**

Courteous behavior should be practiced in the hallways and on the stairwells. To ensure safety, students are requested to walk to the right, to refrain from shouting and pushing, and to keep in mind that other classes are in session. Students will be assigned a teacher detention upon the 4th late to class. Subsequent lateness to class will be documented on a Disciplinary Referral and forwarded to the Administration. Students are required to carry an official written pass when traveling the hallways while classes are in session.

## **PERSONAL PROPERTY**

Children frequently lose or misplace things; therefore, we request that; electronic devices, cameras, skateboards, scooters, large sums of money or other valuable possessions not be brought to school. Magic markers, Sharpies, paint markers, and laser pointers are also not permitted. The selling or exchange of any personal property is not permitted. All of the above are subject to confiscation and disciplinary consequences. Students are not allowed to take pictures or videos without prior Administrative approval.

## **PHONE CALLS**

As per school regulations, **cell phones are not permitted for personal use during the school day**; therefore, students who need to contact their parents, should request to do so via the Main Office. Parents are asked not to call the school to deliver messages as classes will only be disturbed under emergency circumstances. Please confirm after school plans with your child prior to their departure from home in the morning.

## **PHOTOGRAPHY/VIDEO**

Students are forbidden from taking any photographs for personal use without prior approval from the building principal. (This includes but is not limited to digital cameras, video equipment, picture cell phones, etc.). Students found in violation of this policy may be subject to suspension and confiscation of the equipment

## **PHYSICAL EDUCATION**

Participation in physical education is mandatory. Students are required to dress for gym; therefore, the following dress code for physical education classes has been established:

1. Sneakers and sweat socks.
2. Loose-fitting shorts, gym trunks, or sweat pants.
3. Sweatshirts or t-shirts.

For length and appearance of clothing please refer to the dress code policy. In September, all students are issued a gym locker and lock. Only locks issued by the school are permitted. Students are required to secure their personal possessions before exiting the locker room. If a student misplaces his/her lock, it is the student's responsibility to report this to a teacher and purchase a new lock. **Students are not permitted to wear jewelry during physical education classes.**

## **PIERCINGS/ JEWELRY**

## **PROMOTION/RETENTION**

*Students must pass Language Arts and Mathematics and either Science or Social Studies to be promoted.*

## **STUDENT ACADEMIC REPORTS**

**Interim Progress Reports:** The school recognizes the need for communication with the student and parent therefore, all students are issued an **INTERIM PROGRESS REPORT** at the midpoint of each marking period.

Failure to return the report will be followed up by the homeroom teacher and/or the guidance counselor. Weekly progress reports are available upon request through the guidance office. Parents/Guardians are required to sign the progress report and return it the following day.

**Report Cards:** Four (4) times during the school year the student receives a report card, which indicates the subject grades for that particular marking period.

**Honor Roll:** Students who have maintained an "A" in every subject are placed on the High Honor Roll. Those students who have earned no lower than a "B" average in all subjects are placed on the Honor Roll.

**Academic Integrity:** If a student is caught cheating, zero credit for the test/quiz/assignment will be given with no opportunity for make-up.

## **STUDENT INFORMATION**

All parents are required to update their child's information in OnCourse, prior to the beginning of the school year. Any changes of address or contact numbers must be immediately reported to the guidance office. Accurate student/family information is essential to help us provide your child with a safe and responsive school environment.

## **STUDENT RELEASE FROM SCHOOL**

All requests for a student's early release are handled through the Main Office. It is the policy of the Board of Education that a permanent record book is kept of all Middle School students leaving school before the scheduled dismissal time. The authorized adult must fill out the SMS School Pick Up Notice form (this can be picked up at the MS or found online at the SMS website), present this form and a photo ID to security at the front door, write-in time of pick-up, reason, and sign the record book. Students will be met at the security desk or in the main office.

Doctor and dental appointments should be made after school hours. However, if an early release is requested for medical reasons, a doctor's appointment form must be returned to the school.

A student must be present for four (4) hours exclusive of his/her lunch period in order to be recorded present for the day in the school register.

## **STUDENT PRIVACY**

Be reminded that if you are taping or photographing a presentation, show, ceremony, etc., that your recordings are for your personal and family use only. You are advised not to post the event to social networking sites that are public. Such postings may invade the privacy rights of other students and may pose a security risk for some of our students.

## **TEXTBOOKS**

Textbooks are issued to every student. There is no initial fee, but students are responsible for any damage or loss of the book assigned to them. Each book will have an assigned number and the student is responsible for that book at the end of the year. No other book will be accepted from the student.

## **TRANSPORTATION**

The school bus driver shall be the authority with regard to managing pupil behavior and the overall orderliness on the bus. Bus safety is vital to your child's well-being and requires the cooperation of the student and parents as well as school personnel. Students who are disruptive, disrespectful and/or non-compliant, will be subject to the school's regular disciplinary policy. In addition, violation of these rules and procedures will result in the loss of bus transportation privileges. Students are permitted to ride **only their assigned bus** to and from school. Please review "School Bus Safety" found in the District's **Our Schools** Information Guide. If a student misses their bus ride home or their regular authorized manner of departure does not arrive, they must immediately report to the Main Office and notify an Administrator.

## **VISITORS**

All parents and visitors are required to report directly to door at the security desk with a valid ID. A visitor's pass must be worn if leaving the Security Station for other destinations within the school. Parents may not go directly to a classroom for any reason.

## **WALKERS**

Walkers are to enter and leave school grounds using the designated student pathways. Walkers are to leave school grounds promptly at dismissal. No walker may ride a school bus. Walkers who stay after school are responsible for their own transportation.

Parents picking up children at dismissal are requested to wait at the far end of the parking lot (near Washington Road). If a student's regular authorized manner of departure does not arrive, they must immediately report to the Main Office and notify an Administrator.

## **WITHDRAWAL OF STUDENTS**

When planning to withdraw your son/daughter from school, the parent must schedule an appointment with the guidance department. The parent must provide all related information necessary. A transfer card will be forwarded to the receiving district.
