

Good morning!

The 2018-2019 school year is upon us. I hope you had a great summer and are looking forward to a wonderful school year!

The Middle School Administration would like to inform you of some pertinent information for the beginning of the upcoming school year.

First, 6th Grade orientation is August 27th and 28th at 6pm in the Blue Room. New students to the Middle School are invited as well. (See attached Flyer)

Second, Students are to report to the middle school on September 6, 2018. School starts at 8:15 am. Upon arrival, 6th grade students are to report to the upper hallway adjacent to the main gym and look for their HR/Period 1 teachers through door #3. Grade 7 students will report to the Blue Room and the Grade 8 students will report to the main gym through the doors marked #23. Breakfast will be served as normal in the cafeteria as well.

Next, please review the updated student handbook attached to this e-mail. It is important to review all aspects of our school rules. Please review the section in regard to student "String" bags. (Attached)

Next, please review the Sayreville School District's Meal policy as well as instructions for Free & Reduced lunch applications.(attached)

Next, please review the Sayreville Middle School suggested Supplies List. (attached)

Next, if a parent or guardian would like to meet with a Middle School Staff member such as a guidance counselor or administrator, the parent or guardian is recommended to make an appointment with the staff member. The Security Station will not allow any person in the school without an appointment or administrative permission. Any item which needs to be dropped off at the Middle School will be dropped off at the security station drop off box as normal.

Finally, parents who would like to pick up their son or daughter during the school day must have their son or daughter bring in the attached "Pick up" form at the beginning of the school day for such retrievals such as doctors appointments or the like. The form is located on the Middle School website as well.

Thank you for your attention to the above items and I wish you and your family a great 2018-2019 school year!

Sincerely,

Mr. Richard K. Gluchowski

Principal
